

Would you like your garden waste collected?

Uttlesford District Council offers a kerbside garden waste collection service. Collections are fortnightly and the service runs from April to December and then restarts in March.

The full cost for all eight months is £40, but for people joining part-way through the year, the following costs are in place:

**June or July - £30
August or September - £20
October or November - £10**

Please note there is also a one-off charge of £20 for the bin.

To sign-up, call 01799 510510.

If you are in receipt of council administered benefits you will be entitled to a 25% discount on the subscription charge. Please let us know when applying for your subscription.
