

Maintenance work on the M11/A120/A11 – traffic management bulletin

Friday 4 August to Sunday 13 August 2017.

Progress overview

We have made significant progress this week, completing resurfacing two schemes on the M11 junction 8 roundabout (including slip roads) and on the A120 between the M11 and Stansted Airport.

In addition, our planned noise fencing repairs on the M11 southbound between junction 9 and 8 near Wendens Ambo were completed a week ahead of schedule. Some additional work has been identified in this area, and this will be completed from next week, with no lane restrictions required.

On the M11 between junction 9 (A11) and junction 10 at Duxford, in Cambridgeshire, our work to renew sections of the central reserve barrier is progressing well. This will continue for next week and require overnight closures of lane two in both directions with a temporary 50mph speed limit for safety reasons.

On the M11 southbound, works to carry out resurfacing between junction 8 (A120) and junction 7 Harlow, in Essex started on Monday 31 July and is progressing well, despite heavy rain showers in the week presenting our crews with some challenges.

All work is being carried out overnight between 8pm and 6am, when traffic flows are lowest to minimise the impact on road users. Road closures are required to complete the work safely and diversion routes will be fully signed using temporary yellow and black signage.

The diversion route will send road users via the A120 westbound, A10 southbound and the A414 westbound to M11 junction 7. We are working with the local authority to divert traffic through Harlow, and as a result the exact route that traffic is diverted may change to avoid neighbouring work areas.

The diversion is approximately 30 miles long and fully signed and we would urge road users to allow additional travelling time when making journeys through this area.

Details of our planned road closures and diversions can be found on the following pages.

Traffic management

Date/time	Restriction/closure	Diversion
Friday 4 August. Overnight between 8pm and 6am.	M11 both directions junctions 10 Duxford to 9 (A11) – lane two closed and 50mph speed limit.	No diversion required – expect minor delays.
	M11 southbound junctions 8 (A120) to 7 Harlow – road closed.	A clearly signed diversion will be in place via the A120 westbound, A10 southbound and the A414 eastbound.
Saturday 5 August. Overnight between 8pm and 6am.	M11 southbound junctions 8 (A120) to 7 Harlow – road closed.	A clearly signed diversion will be in place via the A120 westbound, A10 southbound and the A414 eastbound.
Sunday 6 August. Overnight between 8pm and 6am.	No work planned.	
Monday 7 August. Overnight between 8pm and 6am.	M11 both directions junctions 10 Duxford to 9 (A11) – lane two closed and 50mph speed limit.	No diversion required – expect minor delays.
	M11 southbound junctions 8 (A120) to 7 Harlow – road closed.	A clearly signed diversion will be in place via the A120 westbound, A10 southbound, A414 eastbound, A1019 southbound, A1025 eastbound and A414 southbound.
Tuesday 8 August. Overnight between 8pm and 6am.	M11 both directions junctions 10 Duxford to 9 (A11) – lane two closed and 50mph speed limit.	No diversion required – expect minor delays.
	M11 southbound junctions 8 (A120) to 7 Harlow – road closed.	A clearly signed diversion will be in place via the A120 westbound, A10 southbound, A414 eastbound, A1019 southbound, A1025 eastbound and A414 southbound.
