Maintenance work on the M11/A120/A11 – traffic management bulletin

Thursday 13 July to Tuesday 18 July 2017.

This is an interim traffic management bulletin to cover the period until Tuesday 18 July.

Progress overview

Work to resurface the M11 junction 8 Birchanger Roundabout is progressing well, despite having to cancel a shift on Tuesday 11 July due to persistent heavy rain, which prevented us carrying out any road surfacing work that night.

The work originally programmed for Tuesday 11 July has been rescheduled for Tuesday 18 July.

As a result, on this night, between 8pm and 6am, there will be no public access to or from the M11 junction 8 Birchanger Motorway Service Area while we resurface past the access roads in this location. Special arrangements have been put in place for hotel guests and local taxi operators and these arrangements have been communicated with them directly. These restrictions are overnight only.

We have also identified some emergency resurfacing works which are required on the A120 between Stansted Airport and the M11 and we will be working this weekend to carry out repairs here.

All work is being carried out overnight between 8pm and 6am, when traffic flows are lowest to minimise the impact on road users.

Road closures are required to complete the work safely and diversion routes will be fully signed using temporary yellow and black signage.

Please plan to allow additional travelling time when making journeys through this area.

Details of our planned road closures and diversions can be found on the following pages.

Traffic management

Date/time	Restriction/closure	Diversion
<p>Thursday 13 July.</p> <p>Overnight between 8pm and 6am.</p>	<p>M11 junction 8 northbound entry slip closed.</p> <p>The junction 8 Roundabout will be closed between the A120 (from Bishops Stortford) to the M11 northbound entry slip road.</p>	<p>A clearly signed diversion will be in place via the A120 westbound (towards Bishop's Stortford), B1383, B1051, Church Road, Bury Lodge Lane and Round Coppice Road to Priory Wood Roundabout.
