

New Community Policing Team for Uttlesford

- It is proposed that the new Community Policing Team for Uttlesford and Braintree would be made up of: one local policing and partnerships inspector, two sergeants, eight constables, two dedicated youth officers and six PCSOs.
- The team will be locally based and will prioritise: protecting people from harm; preventing and reducing crime; bringing criminals to justice; engaging with the public; and ensuring the public are satisfied with the service they receive.
- The team will work closely with partners to deal with all aspects of neighbourhood policing, from tackling night-time economy related violence to responding to emerging crime trends.
- They will not deal with low level non-policing matters such as long-term neighbourhood disputes, low level anti-social behaviour and parking issues, but will work alongside partners, for example the local authority and Community Safety Partnership, who will address these matters.
- Under proposals, currently under consultation with affected staff, 20 of the 27 PCSOs jobs in Uttlesford & Braintree may be removed. Affected staff would be retained as PCSOs, redeployed elsewhere in the force or made redundant. It is proposed that the new Community Policing Team for Uttlesford & Braintree will retain six PCSO jobs.
- The Community Policing Teams will hold monthly Local Community Meetings where residents can raise their crime-related concerns. Street meets will be discontinued.
