

Press Release – 16 January 2012

New Online Community Directory

Essex benefits from the work and activities of a rich variety of voluntary and community organisations - hundreds of groups and individuals, all contributing to giving their communities a better quality of life.

But how can you find out about them?

EssexConnects Online Directory is an up to date, searchable database of voluntary and community organisations serving the areas of Braintree, Chelmsford, Colchester, and Maldon.

Whether you're looking for some support, advice or a local self help group; want to join in a local community activity or club; or trying to find a local charity, **EssexConnects Online** can help you to find out **WHO** is doing **WHAT** and **WHERE** in your local area.

To start your search visit: www.essexconnects.org.uk

EssexConnects Online is growing all the time. By bringing all this information into one place everyone can see just how great a contribution our local voluntary and community groups are making.

- ends -

Notes:

EssexConnects is a multi-partner project initiated by four community and voluntary support agencies (CVS) in Essex: Chelmsford CVS, Braintree District Voluntary Support Agency, Colchester CVS and Maldon & District CVS.

This press release was sent to you by Chelmsford CVS on 01245 351888.
